 1989 - Tenure-track Faculty Appointment, Department of Psychology, ETSU

EMPLOYMENT AND EXPERIENCE IN PROFESSIONAL PSYCHOLOGY

Psychological Consultant, Nursing Homes, Elizabethton, Erwin, Johnson City and Kingsport, TN, 06/98 – present.

Psychological Consultant, Greene Valley Developmental Center, 05/1995- 05/2000.

Professor, Psychology Department, East Tennessee State University, Johnson City, TN, 8/02 - present
 Associate Professor, 8/94- 8/02

Clinical Assistant Professor, Department of Pediatrics, Quillen School of Medicine, East Tennessee State
 University, Johnson City, TN, 9/91-present.

Clinical Psychology Private Practice, Johnson City, TN 09/1990-present.

Assistant Professor, Psychology Department, East Tennessee State University, Johnson City, TN, 8/89-8/94.

Clinical Psychology Resident, University of Virginia Medical Center, Charlottesville, VA, 7/88-7/89 (one year clinical
 internship). Functioned as supervised member of inter-disciplinary treatment team. First six months placement was
 in acute admissions ward of state psychiatric hospital. Second six month rotation involved outpatient and inpatient
 consultation experiences with children and families at The Kluge Children's Rehabilitation Center. Intensive
 didactic and supervision experience.

University Affiliated Programs, University of Southern Mississippi, Hattiesburg, MS, 8/86-6/88. 20 hrs. per week.
 Direct clinical experience as member of trans-disciplinary screening and assessment team working with
 developmentally disabled infants and preschool children and their parents. Supervision with licensed clinical
 psychologist and special education professionals.

Extern, Harrison County Family Court, Gulfport, MS. 01/88-05/88. Psychological evaluation of court referred adolescents and their families. Supervision with licensed psychologist.

Practicum Student, University of Southern Mississippi Psychology Clinic, Hattiesburg, MS, 01/87-01/88. Direct clinical outpatient services. Typical caseload is 5 to 7 clients who are seen one time per week. Supervision with licensed clinical psychologists. Also included are case presentations and psychiatric consultations.

Extern, Ellisville State School for the Mentally Retarded, Ellisville, MS, 6/87-12/87. One day per week. Experience included assessment, behavioral programs for profoundly retarded children and adults, and individual therapy with mildly retarded persons. Supervision with licensed clinical psychologist.

Licensed Psychological Examiner, Holston Mental Health Center, Kingsport, TN, 8/82-8/85. Direct outpatient services including psychotherapy with individuals, groups, families, adults, and children. Clinical supervision experience with licensed clinical psychologist. Psycho-diagnostic responsibilities included intelligence and personality assessment with children and adults. First twelve months experience was in rural satellite center in Appalachian Mountains.

Counselor, Virginia State Penitentiary, Richmond, VA, 12/73-5/75. Counseled adults with interpersonal conflicts to institutional adjustment. All therapy was on an individual basis with the help of an interdisciplinary treatment team.

Volunteer Crisis Counselor, Trust, Roanoke Valley Crisis Center, Roanoke, VA, 3/71-7/71. Duties included talking to people who were in crisis. Training included sessions in counseling, drug identification, and encounter groups. Calls involved drug and alcohol abuse, marital and other interpersonal conflicts.

GRADUATE COURSES**CLINICAL/PROFESSIONAL**

Intro. Psychotherapy
 Abnormal Psychology I
 Abnormal Psychology II
 Behavior Therapy
 Advanced Psychopathology
 Seminar-Problems in Psychology
 Seminar-Ethics
 Admin., Supervision, & Consult.

PSYCHODIAGNOSTICS

Indiv. Intelligence Testing
 (S-B, Wechsler Scales)
 Intro. to Projective Techniques
 (Rorschach, TAT, HTP)
 Obj. Personality Assess. (MMPI)
 Proj. Personality Assess.
 (Rorschach)
 Indiv. Psyc. Testing (Wechsler
 Scales)
 Indiv. Psych. Testing (Stanford-
 Binet-Revised)

CHILD CLINICAL

The Atypical Child
 The Emotionally Disturbed Child
 Seminar in Early Intervention
 Children at Risk
 Assessment of Handicapped Children, 0-5
 Families of the Developmentally Disabled
 Interventions with H. C. Children
 Psychological Disorders of Children
 Behavior Therapy

THEORY

Personality Development
 Theories of Personality
 Advanced General Psychology
 Physiological Psychology
 Learning & Motivation
 Advanced Social Psychology
 Cognitive Processes
 Organizational Psych.

RESEARCH

Research Evaluation
 Analysis of Beh. Data
 Advanced Data Analysis
 (SPSS-X, BMDP, etc.)
 Research in Psyc (Thesis)
 Research in Psyc (Thesis)
 Research in Psyc
 Research in Psyc
 Research Apprenticeship I
 Research Apprenticeship II
 Research Apprenticeship III
 Correlational Methods
 Analysis of Variance
 Dissertation

CLINICAL PRACTICA

Pre-Practicum in Clinical Psychology
 Clinical Psychology Practicum I
 Clinical Psychology Practicum II
 Clinical Psychology Practicum III
 Practicum in Teaching Psychology
 Clinical Externship I
 Clinical Externship II
 Clinical Externship III

CLINICAL RESIDENCY (INTERNSHIP), UNIVERSITY OF VIRGINIA MEDICAL CENTER**Major Rotations**

Southwestern State Hospital, Acute Admissions Unit
 Kluge Children's Rehabilitation Center

Minor Rotations

DeJarnette Children & Adolescent Psychiatric Hospital
 Kluge Children's Rehab. Center

Specific Training Experiences

Institute of Law, Psychiatry & Public Policy, University of Virginia (50 hrs) - Forensic Eval. Training Program
