

Making a donation to the Department of Health Sciences is Easy, Just follow these steps:

1. Go to the ETSU homepage www.etsu.edu

2. Click on the “Give” icon

3. A page will appear for you to enter the information. To donate directly to the Department of Health Sciences you will have to type in that designation in the appropriate space.

A screenshot of the 'My Gift' donation form. The form is titled 'My Gift' and has a dark blue header. Below the header, there is a 'Donation Amount' field with a dollar sign and a red asterisk. Below that is a 'Designations' section with a radio button and the text 'Click here if you want to use your gift for ETSU Colleges, Schools and Special Programs.' Below the radio button is a text input field with a green arrow pointing to it. Below the text input field is a checkbox with the text 'I would like to make Scheduled Payments using my credit card.' Below the checkbox is a text area for 'Comments, questions or special instructions for your gift?'. A red asterisk at the top left of the form indicates that the asterisk in the donation amount field denotes a required field.

We thank you for donating to the Department of Health Sciences
