

Homework Problem Set 1, Fall 2026

PHYS-2010: Dr. Luttermoser's General Physics I Course

Section: 005, Meeting Times: MWF 2:00 pm – 2:55 pm

This Homework Problem Set will be generated by the **WebAssign** software package supplied by the textbook publisher (*Cengage Publishing*). These problems can be accessed via a web browser at

<https://webassign.com>

These problems will be graded and must be completed by

6:00 p.m. on Friday, September 18, 2026.

Start working on these problems immediately once they are posted on *WebAssign*. Don't wait until the last day to start them. One never knows when the network will go down, and you will not be able to use this as an excuse for not doing your *WebAssign* problems. As a matter of fact, there will be no allowed excuses for not doing your *WebAssign* homework by the deadline day and time.

Once you register in **WebAssign**, as described in the course syllabus, click on the *WebAssign* web site above, click on the "Enter Class Key" button on the upper right of this web page. The class key for this course (**PHYS-2010-005**) is:
