

**Wildlife Management: History, Institutions and Job Opportunities
Individualized Syllabus for Ryan P.**

ENVS 4950 Environmental Studies Seminar, ETSU, Spring 2015

last update: Feb 22, 2015

Mission Statement

I am interested in Wildlife Management as it pertains to Wildlife Resource Officers. I plan to learn everything that I possibly can about Wildlife Management, as I wish to pursue a career as a Wildlife Resource Officer.

Additional Texts

- 1.) *An Entirely Synthetic Fish: How Rainbow Trout Beguiled America and Overran the World.* Anders Halverson. Yale University Press, 2010. 288 pages.
- 2.) One additional text, to be determined.
