

## Research study

Dr. Jason Steadman, Assistant professor of Psychology at ETSU, is looking for youth ages 6-17 to be a part of his research study exploring self-identity and how youth decide who they are and who they want to be.

**WHAT DO I HAVE TO DO?** Each youth and their parent(s) will go through a ~1 hour interview with a researcher at ETSU. All you have to do is answer a few basic questions about yourself and about others in your life. There are no treatments or other interventions. Everything will be confidential. Risks are minimal.

**WHERE DO I DO THIS?** On ETSU campus in Johnson City, in Rogers-Stout Hall.

**WHAT DO I GET?** All participants are offered a small reimbursement for their time. You will also be given a list of local organizations designed for positive youth development.

**WHO DO I CONTACT FOR MORE INFO?** Dr. Jason Steadman or go here <https://captvre.simplybook.me/sheduler/manage/event/2> to sign up directly!
