

## Chapter 8. Techniques of Integration

### 8.6 Integral Tables and Computer Algebra Systems

**Note.** We now use the Table of Integrals on pages T1–T5 to solve some integral problems (each equation given in T1–T5 can be derived by the methods of Chapter 8).

**Example.** Page 576 number 38 (see T-3 number 62c).

**Example.** Use the TI-89 to do page 577 number 48.
